

2014 Payment Calendar for Tartan Tundra Music

EXAMPLE ONLY~~HOW TO READ THIS CHART

If your lesson is on —————→ Follow the column for the day of the week on which you have your lesson	Monday	Tuesday	Wed	Thurs
Your Payment is Due on the date listed below the day of the week on which you have your lesson	January 24	January 25	January 26	January 27
Since you pay a month ahead, make your check out for this many lessons. —————→	5	5	5	4

FOR INSTANCE: if you have a lesson every Tuesday, following the column down you see that you then you **pay on the 24th of January**. Since there would be five Tuesdays in February, you would **make your check out for five lessons**.

Lesson payments are due on the last paid lesson of the month, and you are paying for the upcoming month.

If the last paid lesson day is the 30th or 31st, I may change the Payment Date to the week earlier, so that everyone pays in the same week.

If there is any trouble with payment, please talk to Ms. Jean immediately. Thank you.
