

## **Winter Recital: Thursday, December 12, 2013**

**MANDATORY REHEARSAL:** 2pm, Saturday, Dec. 7, at Tartan Tundra Studio. This will take about half an hour. If a second rehearsal is needed I may schedule one for 3pm as well. We are only going over our group pieces. Not all students are playing both pieces.

**PLACE:** Noel Wien Library Auditorium, Cowles St.

**TIME:** **Students should arrive at 6:30pm.** Program starts at 7:00pm. The program will last roughly an hour, to be followed by a potluck afterward. We must be done by 8:45.

**IMPORTANT:** Instruments should be tuned beforehand if possible. Ms. Jean will help tune everyone. She will check intonation of all instruments regardless, as they can go out of tune in transit.

**DRESS:** Dress up if you like, but it is not required. Be sure you are comfortable! Dressing up can be fun, but be sure you are comfortable playing music.

**WHO SHOULD ATTEND:** All friends, family, neighbors and prospective students!  
**Everyone is welcome.**

### **THINGS TO BRING:**

*It may seem silly, but we sometimes forget the most obvious things!*

- **Musical instrument**
- **Music**
  - **We will need about eight music stands--also needed for rehearsal**
- Rosin for violins
- Picks for guitars (if you use one)

Cameras/video recorders--please send me any video so I can post it on our web site!

- Potluck dish
- 

### **A POTLUCK FOLLOWS THE PROGRAM**

**Please bring a dish or snack to share** to help celebrate the accomplishments of our talented and hard-working students. **Please don't bring staining drinks (ie: Hawaiian Punch, grape juice, etc.).** We have use of the little kitchen if it is needed. Don't forget to bring a serving spoon. If a parent would like to coordinate and call other parents, that would be great.

I appreciate help clearing up after our evening of fun, too! Thanks!

*It's going to be an evening of fun and entertainment! Hope to see you there!*
